## CURATOR OF AWARDS - DR. MARY RUTH SMITH

"IDEAS FOR IMAGERY CAN COME FROM ANYWHERE AND ANYTHING." This quote from Dr. Mary Ruth Smith will guide her as she curates the awards for Oklahoma Friendly. Her varied professional background, both as an artist and an art educator, and her commitment to stay informed of current art trends while blending in traditional elements of design make Dr. Mary Ruth Smith an outstanding curator.

Born and raised in Virginia, Dr. Smith joined the Baylor Art Department faculty in 1993, bringing with her the maturity of a long teaching career in two fields of higher education. At Baylor, she has created a studio concentration in fabric surface design. She has taught workshops, exhibited and curated shows nationally and internationally.

Over the past thirty years her artwork has been exhibited extensively throughout the United States and in Canada, England, France, Italy, Korea, Australia, Taiwan, Romania, Venezuela and Ukraine.
