OKLAHOMA ART GUILD PRESENTS PLEIN AIR LANDSCAPE PAINTING WITH RICK MCCLURE

Focusing on capturing the essence of the landscape

If you want to learn to capture the essence and life of a landscape, then join Rick McClure as he leads a group of artists through the Oklahoma countryside. We will visit 4 locations during the course of the year. At each location, Rick will do a 45 minute demonstration and then provide guidance to the students in plein air techniques.

An award winning "Plein Air" painter and teacher, Rick McClure has been painting professionally for more than 25 years. Throughout his career he has enjoyed success with a variety of media including contemporary watercolor and large acrylic figurative works. However, his true passion is found in capturing both cityscape and landscape en plein aire. Many of his on location gems stand on their own while others form the basis for larger studio works, all of which sparkle with spontaneity.
